

1. LOGGING INTO THE PROCUREMENT AFTER RECEIVING A CALL FOR TENDER

STEP 1: If your economic operator is registered and verified in the EVO Information System (IS EVO) (www.isepvo.sk), a contracting authority is able send you a **Call for Tender** (together with the relevant procurement documentation) directly in the case of a below-threshold contract. If the contracting authority sends you a **Call for Tender**, you will receive an e-mail notification and, at the same time, a message in your Message Box on the IS EVO portal (www.isepvo.sk). By clicking the green "**Log in**" button, you will be redirected to your Message Box after successful authentication.
